

Courses for 2017

RPS Partnership are security, risk mitigation and training specialists offering operational support around the world.

Risk - working with you to identify best practice that you and your organisation need

People - every organisation lists their assets with the number one asset being people

Solution - we provide and support all our clients giving you and your staff peace of mind whilst you are busy preparing your staff to work overseas in foreign, hazardous or hostile locations

New for 2017 Emergency First Aid after a terrorist attack

1 day workshop subjects including situational awareness, run hide fight/tell, how to stop a catastrophic bleed and keeping someone breathing! Understanding how you can be of service to the emergency services and first responders during and after a terrorist incident, being able to act in a positive way and not freezing to the spot when faced with a life threatening situation.

Hostile Environment Training Dates in 2017

We are offering 3 day Hostile Environment Awareness Training (HEAT) courses. This is sometimes also called Hostile Environment Training or HET as well as Hostile Environment and First Aid Training (HEFAT).

Dates have now been finalised for training courses in 2017. These are all 3 day Hostile Environment Awareness Training courses. If you wish us to run one specifically for your organisation on the dates below or any other dates, please contact us on info@rpspartnership.com to reserve your course.

RPS Partnership is pleased to offer the following dates

February 2017 - Mon 6th - Weds 8th

March 2017 - Mon 6th - Weds 8th

April 2017 - Mon 3 - Weds 5th

May 2017 - Mon 8th - Weds 10th

June 2017 - Mon 5th - Weds 7th

July 2017 - Mon 10 - Weds 12th

July / Aug 2017 - Mon 31st - Weds 2 Aug

September 2017 - Mon 4th - Weds 6th

October 2017 - Mon 2nd - Weds 4th

November 2017 - Mon 6th - Weds 8th

December 2017 - Mon 4th - Weds 6th

Our courses are designed for those travelling to and working in difficult, remote or challenging locations, low intensity conflict and high crime areas as well as areas where there is a high threat of terrorism. Our training venue is close to London and easy to get to by car or train.

We also offer other bespoke courses from Travel Management, First Aid at Work, Crisis Management, Conflict Management, Sexual Aggression Awareness Training and Active Shooter.
