## COURSE INFORMATION

Silk Road Training was set up to provide a powerful hostile environment learning experience that can help to raise global safety standards and develop the skills of everyone living and working in hostile environments. We provide online, 360 degree and physically immersive courses that make life-saving hostile environment skills accessible to all. You are very welcome to get in touch at any point with any questions or queries. We can be reached on [chris@silkroadtraining.international](mailto:chris@silkroadtraining.international) / [grant@silkroadtraining.international](mailto:grant@silkroadtraining.international).

## THE APPROACH

Your course will comprise 2 phases. The first phase is self led online content. This uses video content, interactivity and 360° media to introduce key first aid and security information and skills. The second phase is a high impact three day training course where you will get the opportunity to apply and practice your skills in a face to face setting and within challenging training scenarios.

## THE VENUE

The training will take place at The Granary, Pippingford Park, East Sussex, TN22 3HW. Here we have a purpose built classroom area and access to over 500 acres of training area for extensive and wide ranging scenario based training.

## ACCOMODATION

There are a range of accommodation options within the local area. Silk Road Training can advise you by request. Shuttles to / from your accommodation may also be arranged.

## MEETING POINT

The course will meet at 0900 on the 25 May at The Granary, Pippingford Park..

## CATERING

## SAFETY

We take safety seriously. Our practitioners are experts in their fields and all activities are risk assessed. The course will require physical activity on rough, uneven terrain. At times, the content will include simulated wounds and injuries and refer to real live first aid and security incidents that may be distressing. If there are any injuries, physical conditions or previous incidents that you believe the training team should be aware of, please let the trainers know on the day or notify us in advance.

## CLOTHING AND EQUIPMENT

- Supportive footwear suitable for moving over rough outside terrain
- Clothing that enables you to move, that will provide protection from the weather
- Face mask
- Personal Medication
- Sun Protection (hat / sunglasses)
- Water bottle
- Fake blood is used and may get on clothing in first aid simulations. This is washable

## THE COSTS

- The course fee is £975
- The course requires 6 participants to run. If this number is not reached the course will be postponed 7 days in advance with full refunds
