

Training of Trainers (ToT) Course

RPS Partnership are pleased to announce the ten-day ToT course for staff running training overseas.

By investing in ToT, you can build capacity and create an enduring impact. RPS Partnership's ToT programme provides stimulating and relevant training for existing or new trainers.

Empower staff to train in their own language.

This progressive programme provides an excellent basis for those who are new to training – we build confidence to ensure they are equipped with the right skills to deliver any type of training in any environment.

We develop the underpinning knowledge of experienced trainers and coach and mentor them to excel as teaching staff.

Subjects Covered;

- Roles and Responsibilities of Trainers
- Learning Styles, Emotional Intelligence and their impact in the classroom
- Planning Skills
- Practical Teaching Skills – using basic and advanced participatory techniques
- Training styles and communication
- Feedback and Evaluation
- Reflection and evaluation of delivery

We have empowered national trainers worldwide, including Tunisia, Iraq, Brazil, Pakistan, Ethiopia, Finland, Lebanon, Libya, Egypt and Indonesia.

Why RPS Partnership?

Our trainers are all qualified as teachers and trainers, as well as being knowledgeable and experienced in the key tenants of Training of Trainers in complex and challenging environments. They have delivered training around the world and can adapt training packages to your requirements. In particular, we can provide mixed gender training teams or gender specific training to deliver programmes and courses that suit you and your organisation.
